Please find enclosed Canine Control By-Law No. 32-2016 and refer to Section 3 regarding Kennels to ensure compliance requirements. In order to obtain a Kennel Licence, your kennel must first be inspected by Howick’s Animal Control Officer. You can contact Jim Renwick directly for the inspection at 519-327-4681. Once an inspection has been completed and a report has been received and approved, a Kennel Licence will be issued. A Kennel Licence will not be issued if an inspection has not been completed or the inspection proved the kennel unacceptable as per the Kennel Code of Practice.

Please remit \$150 made payable to **The Township of Howick** and allow 2-3 weeks for delivery of Kennel Licence.
