

Howick Landfill Site

45589 Harriston Rd (Hwy 87)

Open Wednesdays Year Round : 9am-4pm

Saturday Winter Hours: Nov. 1-May 1 9am-1pm

Saturday Summer Hours: May 2-Oct. 31 9am-4pm

Users of Howick Landfill site are required to place their garbage in clear/transparent disposal bags. This includes curbside pick-up. All contents must be visible to landfill staff and curbside collection employees, with the exception of one personal bag within the clear bag.

Battery Recycling: Home-use batteries can be dropped off at the Howick Municipal Office or Howick Landfill site. Car batteries can be dropped off at D&M Auto in Gorrie.

User Pay System: The use of bag tags is a “user-pay” system – the more garbage you generate, the more you pay. It is a benefit to both you and the Howick Landfill site to sort and direct as much of the waste as possible to the recycle stream. Bag Tag Cost: \$2.75/each.

Bale Wrap Recycling: Farmers and businesses can contact Switch Energy Corp directly to arrange for pickup. For more information, contact Switch Energy at (519)524-0193 or email dnott@switchenergycorp.com.
