

The Howick Business Alliance is dedicated to promoting and supporting local business in the community. The township is home to a variety of small businesses, ranging from agricultural, transportation, tourism and commercial business services. The Mennonite community represent a large portion of the township's agricultural farm gates businesses.

The Business Alliance meets regularly to encourage and promote business development and to support community initiatives. Regular meetings provide an education presentation and communication among the small businesses.

For more information about the Howick Business Alliance contact Coreen Harding at 519-335-6666 or email her at [coreen@tnt21.com](mailto:coreen@tnt21.com).
